

PUBLIC BODY DECLARATION

"Public bodies" are defined as national public authorities, regardless of their form of organisation – central, regional or local structure – or the various bodies under their control, provided these operate on behalf of and under the responsibility of the national public authority concerned. The undersigned hereby certifies that:

My organisation *(add organisation's name)* **is a "public body"**.

My organisation is able to provide upon a request from the Commission supporting evidence to support the above statement and indicating that it complies with the following criteria:

1. The relevant national law would allow for the financial continuation of my organisation thereby avoiding bankruptcy or being wound up.
2. In the event that my organisation stops its activities, its rights and obligations, liability and debts, will be transferred to another public body.

I am legally authorised to sign this statement on behalf of my organisation.
