Statutory Body/Name/Contact:

Contact Person/Name/Contact:

I declare on word of honour that the biomass, which I provided for processing, the following requirements:

o was not obtained from land with high biodiversity value, namely land that was on or after January 2008, regardless of whether it still is::

- a) primary forest and other wooded land of native species without significantly disruption of ecological structures,
- b) areas designated by law for nature protection, threatened or endangered ecosystem or species,
- c) grassland with high biodiversity;

o was not obtained from land with high carbon stock, namely land in January 2008, but no longer is:

- a) wetlands,
- b) continuously forested areas,
- c) land spanning more than one hectare with trees higher than five metres and canopy cover of between 10 % and 30 %;

o was not obtained from land that was peatland in January 2008, unless it is proved that the cultivation and harvesting of the raw materials required drainage previously undrained soil.

*o was produced in accordance with: ***

- Convention concerning Forced or Compulsory Labour (No 29),
- Convention concerning Freedom of Association and Protection of the Right to Organise (No 87),
- Convention concerning the Application of the Principles of the Right to Organise and to Bargain Collectively (No 98),
- Convention concerning Equal Remuneration of Men and Women Workers for Work of Equal Value (No 100),
- Convention concerning the Abolition of Forced Labour (No 105),
- Convention concerning Discrimination in Respect of Employment and Occupation (No 111),
- Convention concerning Minimum Age for Admission to Employment (No 138),
- Convention concerning the Prohibition and Immediate Action for the Elimination of the Worst Forms of Child Labour (No 182)

o was produced on the farmland in according to the provisions of § 8 of the Government Regulation of the Slovak Republic no. 20/2009 about Coll conditions conditions for granting subsidies in agriculture through direct payments

This statement applies to biomass grown in :

Country of origin:

Type of biomass:

Quantity of biomass:

* delete as appropriate

** apply to the for importation of basic raw materials for biofuel production or bioliquids from outside the EU
